**Subject:** Address for MCP/EOC

**John/Mike,**

I know how hard it is to get an IAP out so if I can help any, let me know and I'll do my best to try and help..here are some addresses, demobe dates and a few other things that might be of interest.

●□□□□□□□ **R9 Office:** 605 E. Apache St, Farmington, NM 87401 (this is a R9 office and we are currently doing 0700 safety meeting and where our START are located,

however, we are outgrowing and START is looking for new space today. So if folks come in today, this is where they need to go...maybe be different

tomorrow – they are suppose to let us know at the end of the day)

**~~EPA MCP while in Farmington, NM:~~** 850 Municipal, Farmington, NM 87401 Moved to Aztec-see below

**Civic Center:** 200 W. Arrington St, Farmington, NM 87401 (where public meetings are held each day at 6:00p)

**EPA MCP/EOC: Aztec, NM:** 209 S. Oliver Drive, Aztec, NM (MCP is in the parking lot but EOC is located in building)

●□□□□□□□ Per text messages I received this morning

Bryant – leaving tomorrow

LaDonna – on road now

Jhana- demobing 8/21, back in office 08/24 (taking weekend)

MarkH- leaving tomorrow

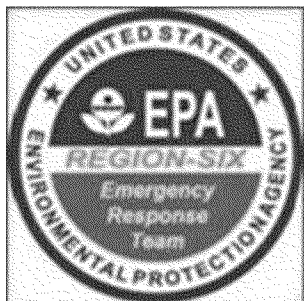

Rinehart – going back Monday (8/17)

Juan Iberra – Next Wednesday (08/19/15), Chris Lister in Monday (08/17) to replace

- The Ops briefings the field folks do with Althea are at 4:00 each day (unless Administrator or other emergency)

- The surface water teams I am leading are doing samples in the Animas and the San Juan River. Team members change each day, easier to just email you

The names if you need
